

## Lenawee County ARES/RACES Net Preamble

This is \_\_\_\_\_, My name is \_\_\_\_\_ and I will be acting as net control for the weekly Lenawee County ARES net. This net is held each Sunday evening at 8 PM local time on the 145.37 repeater, courtesy of the Adrian Amateur Radio Club

The purpose of this net is to encourage interest in, and to provide information about, the Amateur Radio Emergency Service and Radio Amateur Civil Emergency Service in this coverage area. Both organizations offer emergency communications services to public service and governmental agencies during potential and actual disaster of many kinds.

All amateurs are welcome to this net. You do not have to be a member of ARES or RACES to join this net. ARES /RACES is not affiliated with any regular local club or clubs and is under the direction of the ARRL appointed Emergency Coordinator and/or Races Radio Officer for each county. The RC/RO for Lenawee County is Cletus Brooks.

This is a directed net. Please address all transmissions to net control. As always, Priority or Emergency transmissions will take precedence and will be handled immediately.

NTS format messages may or may not be initiated or passed on this net.

This is \_\_\_\_\_, net control. Any stations wishing to list traffic for the net .....Please call now.

At this time, the net control will take check-in's for mobile and short time stations. Your calls please.....

At this time, net control will take all other check=in's. Your calls please.....

At this time. Net Control invites reports and comments from the EC, AEC's, And ARRL officials on the net. (Start with highest level & work down the list) Please give your call sign, Name, and position held.

We wish to thank the AARC for the use of the repeater. Thank you for your participation. The net is now secure and the repeater is returned to normal use. This is \_\_\_\_\_OUT
